Volunteer Agreement

I certify that I have never been charged or convicted of animal abuse or neglect.

I will abide by the mission, rules, regulations, policies & programs of Feline Rescue while I am a volunteer.

I understand Feline Rescue is an all-volunteer, non-profit organization and that the cats are dependent on volunteers for affection, patience, kindness, food and compassionate care.

I agree to complete the tasks assigned each time I volunteer.

In the event I am unable to volunteer during an assigned shift at the shelter, I agree to contact the volunteer coordinator or shift leader no later than 48 hours prior to my scheduled shift.

If I do other types of volunteer work for Feline Rescue, I agree to notify immediately the appropriate person in charge if I am unable to complete the work.

If I believe I have contracted a medical condition that may be communicable to the cats (such as toxoplasmosis or ringworm), I agree to notify the medical director and/or foster coordinator immediately.

I understand that, as a volunteer, I may gain access to information about the organization that is confidential. I agree to respect and maintain the confidentiality of all donors, volunteers and other individuals working with Feline Rescue both on- and off-site, during and outside of volunteer hours.

If I discontinue volunteering for any reason, or upon Feline Rescue's request, I will promptly return all Feline Rescue's supplies, equipment, records, money and any other items in good condition.

I have completed this application and agreement accurately and truthfully. If any false information is provided, it may nullify my ability to volunteer with Feline Rescue.
